Edition	Revised edition (supersedes all prior versions)
Effective date	November 11, 2026
Approved by	Board of Directors of International Beauty Professionals Association, Inc., Resolution No. 2026-01 dated November 11, 2026

1. General Provisions

This Membership Cancellation and Termination Policy sets out the rules governing the cancellation of membership, the termination of participation in the Association, and refund conditions for members of International Beauty Professionals Association, Inc.

By applying for membership, paying a membership fee or participating in the Association, an applicant or member confirms that he or she has read, understood and agreed to this Policy.

2. Cancellation of Membership

Members of International Beauty Professionals Association, Inc. may cancel their membership at any time at their own discretion.

Membership may be cancelled in one of the following ways:

1. Through the member's personal account (Member Area) on the Association's website, where this function is available.
2. By sending a written request to the Association's official email address.

A cancellation request must include the following information:

- the member's full name;
- the membership category;
- the email address used at registration;
- a clear request to cancel the membership.

Upon receipt of the request, the Association will process the cancellation within a reasonable administrative period.

3. Effective Date of Termination

Once the cancellation request has been processed:

- the person's membership status in the Association will end;
- access to membership benefits, services and resources may be restricted or terminated;
- the member's profile may be removed from the Association's internal or public directories.

Unless otherwise provided by the Association's governing documents and policies, termination of membership takes effect once the cancellation request has been processed.

4. Membership Fees and Refund Policy

All membership fees paid to International Beauty Professionals Association, Inc. are non-refundable.

Regardless of when the membership is cancelled:

- membership fees paid are not refunded;
- no partial refunds are made;
- cancellation does not affect a membership period that has already been paid for.

This Policy applies regardless of:

- when the cancellation request is submitted;
- how much time has passed since the membership was activated;
- whether the member has used any membership benefits or services.

Membership fees are treated as a contribution to participation in the Association and support of its organizational activities.

5. Review and Approval of Applications

All membership applications are subject to review by the Association's Membership Review Board.

Submitting a membership application does not guarantee admission to the Association.

Under the Membership Policy, the membership fee is paid only after the application has been approved. If an application is not approved:

- the applicant is not granted member status;
- no obligation to pay a membership fee arises.

If, for technical reasons, a payment was made before a decision on the application and the application is not approved, the payment is refunded to the applicant in full.

6. Termination of Membership by the Association

International Beauty Professionals Association, Inc. reserves the right to suspend or terminate a membership if the member:

- materially violates the Association's Professional Standards;
- violates the Code of Ethics;
- provides false or misleading information in his or her application;
- engages in conduct that may seriously harm the Association's reputation;
- acts in a manner inconsistent with the mission, values or integrity of the Association.

Where membership is terminated by decision of the Association, membership fees remain non-refundable.

7. Administrative or Technical Errors

If a member believes that a payment error, duplicate charge or technical problem has occurred, he or she should contact the Association as soon as possible.

Such cases will be reviewed by the Association individually.
