Effective date	November 11, 2026
Approved by	Board of Directors of International Beauty Professionals Association, Inc., Resolution No. 2026-01 dated November 11, 2026

1. Purpose and Scope

This Procedure establishes a formal, structured and standardized system for reviewing, evaluating and deciding on membership applications submitted to International Beauty Professionals Association, Inc. ("IBPA" or the "Association").

The purpose of this Procedure is to:

- ensure a selective, merit-based membership system;
- maintain the Association's professional standards and reputation;
- implement a consistent and transparent evaluation process;
- ensure that the application review process is consistent with IBPA's governance system;
- protect the integrity, reputation and long-term value of membership.

This Procedure sets out the evaluation methodology (what is assessed and how). The composition of the Board, the voting procedure, timelines and the appeal procedure are set out in the Membership Review Policy. Both documents apply together with:

- the IBPA Bylaws;
- the Membership Policy;
- the Code of Ethics;
- the Professional Standards;
- the Conflict of Interest Policy;
- the Records Retention Policy.

2. Membership Review Board

2.1 Authority

All applications are reviewed by the Membership Review Board (the "Review Board"), acting on behalf of the Board of Directors under Section 3.5 of the Bylaws.

2.2 Composition

The Review Board consists of all Board Members, Membership Selection & Quality Control, and any other Directors appointed to the Review Board by resolution of the Board of Directors. The Chair and the

Secretary of the Review Board are appointed by the Board of Directors. The Chair of the Review Board (the President) and the Secretary of the Review Board (the Secretary) serve without a vote: the Chair conducts the review and has a casting vote only in the event of a tie; the Secretary keeps the minutes. The decision minutes are signed by all Review Board members, including the Chair and the Secretary. The Board Member, Legal Affairs and the Board Member, Financial Affairs do not review or vote on membership applications.

2.3 Quorum

A quorum is at least three (3) voting Review Board members who have not recused themselves. No decision may be made without a quorum.

2.4 Conflict of Interest

Each Review Board member must:

- disclose any actual or potential conflict of interest before voting;
- recuse himself or herself and take no part in the discussion or vote where a conflict exists.

The disclosure procedure is set out in the Conflict of Interest Policy and the Membership Review Policy.

3. General Review Principles

All applications are reviewed on the basis of the following principles:

3.1 Selectivity

Membership is not automatic and is granted only after a successful evaluation.

3.2 Individual Review

Each application is reviewed separately on its own merits.

3.3 Professional Judgment

Decisions are based on the expert judgment of the Review Board members.

3.4 No Guarantee

Submitting an application does not guarantee its approval.

3.5 Evaluation within the Category

An application is evaluated in the context of the selected membership category (Specialist, Professional, Trainer / Educator, Business Owner, Brand / Company) and its requirements under the Membership Policy.

4. Application Structure and Requirements

An application is submitted through IBPA's official system and contains structured data consistent with the Association's evaluation model.

5. Application Completeness Check

5.1 Evaluation Model

Each application is checked against a checklist corresponding to the sections of the application form for the selected category:

- Specialist, Professional, Trainer / Educator — 25 items;
- Business Owner, Brand / Company — 29 items.

5.2 Completeness Threshold

To proceed to further evaluation, an application must meet at least 18 of 25 items (for categories with a 29-item checklist, at least 21 of 29).

5.3 Evaluation Method

For each item the following are recorded:

- presence (yes / no);

- completeness;
- relevance;
- comments (if needed).

5.4 Critical Items

Critical items are:

- confirmation of identity;
- basic professional information;
- a portfolio (for categories where one is required).

The absence of critical items may result in the application being denied regardless of the overall percentage.

6. Incomplete Applications

If an application does not reach the completeness threshold or has critical gaps, the Review Board may:

- request additional information (status "Pending Additional Information");
- defer the review (status "Deferred");
- deny the application (status "Denied").

A request for additional information suspends the review timelines until the information is received.

7. Evaluation against the Criteria

After passing the completeness stage, an application is evaluated against the criteria set for the selected category. Criteria and approval thresholds:

Category	Criteria	Approval threshold
Specialist	1–4	at least 3 of 4
Professional, Trainer / Educator	1–7	at least 5 of 7
Business Owner, Brand / Company	1–5, 6B, 7B	at least 5 of 7

2. Education, certifications and professional licenses.
3. Portfolio demonstrating quality of work.
4. Professional reputation, client reviews and peer recognition.
5. Participation in competitions, judging panels, speaking engagements or industry events.
6. Teaching, mentorship or training of other professionals.

- is recorded in the Review Board minutes using the form for the relevant category.

8. Determining the Membership Category

The Review Board determines whether the applicant meets the selected category or recommends a more appropriate membership category.

9. Discussion

After the individual evaluation, a discussion is held if needed to resolve differences of opinion.

10. Voting

A decision is made by a simple majority of the voting Review Board members who have not recused themselves. Each vote ("for" / "against" / "abstain") is recorded by name with a brief rationale. In the event of a tie, the matter is discussed and voted on again; if the tie remains, the Chair of the Review Board has the casting vote.

11. Review Board Decision

Possible decisions (consistent with the Bylaws and the Membership Policy):

- Approved;
- Pending Additional Information;
- Deferred;
- Denied.

The decision records the membership category, the rationale and any comments. Where an application is denied, the criterion not met is stated.

12. Documentation

The results are documented in the Membership Review Board Minutes, with a roll-call record of the vote. The minutes are signed by all Review Board members, including the Chair and the Secretary.

13. Notice to the Applicant

The applicant receives written notice of the decision within the timelines set by the Membership Review Policy, and in any case no later than 10 business days after the application is deemed complete.

14. Appeal
